WHO ARE WE?

Welcome to AV lighting solutions; your number one customised lighting design company for all events. From weddings to corporates- we redesign any space to meet the customised specifications of each and every client.

Our pricelist is made up of basic elements of lighting design options, whereby which we look forward to meeting with you, to better discuss your space, vision and work on a creative render to bring your look to life.

We work hand in hand with florists and décor stylists, to ensure that our lighting works seamlessly with that of the overall creative scope.

We look forward to hearing from you, so as to book your lighting solution for your event.

ADDITIONAL SERVICES TO CONSIDER.

DELIVERY AND COLLECTION:

Delivery and collection is charged for based on whether the venue is within the Cape Town and Winelands surrounds. Delivery and collection will be quoted according to vicinity and amount of lighting and trucking required.

SET-UP and BREAKDOWN:

Is charged for separately and depends on size of event and amount of crew required, as well as amount of days required for installation.

MIDNIGHT STRIKE, PUBLIC HOLIDAYS AND SUNDAYS:

All strikes or set-ups outside of the scope of normal business hours will have an additional charge.

Please review our T&C's for any further additional information.
